Access Your Courses
Your current and past courses are listed within the categorized folder(s) below. Click any course name and follow the onscreen instructions to complete each course. Click any previously completed course(s) to reaccess your certificate.

Access/Print Your Course Transcript
Click "My Account" in the main menu above, then click "My Transcript" from the dropdown menu. This page displays all your Open, Completed and Failed courses, and includes the date for each completed course. After your courses are completed, print your Transcript page as proof of completion and bring it to your review (course Certificates no longer necessary).

My courses

Individual CEUs / Inservices

- Basics of Aging
- Confidentiality
- Dehydration Awareness
- Diseases of the Respiratory System
- Diseases of the Urinary System

Online Learning Courses - Basics of Aging

 **Course details**

Current course: Basics of Aging

Course Overview
This course covers the basics of the Aging Process including the expectations and considerations for those working with the elderly.

Course Objectives
The objective of this course is to understand the basics of the aging process (physical, mental and emotional). Students will understand the factors that can accelerate or slow the aging process and learn how a healthier lifestyle and environment can significantly affect the aging process.

Course Instructions

Step 1: Click the **Course** document below.

Step 2: Click the **Quiz** document below.

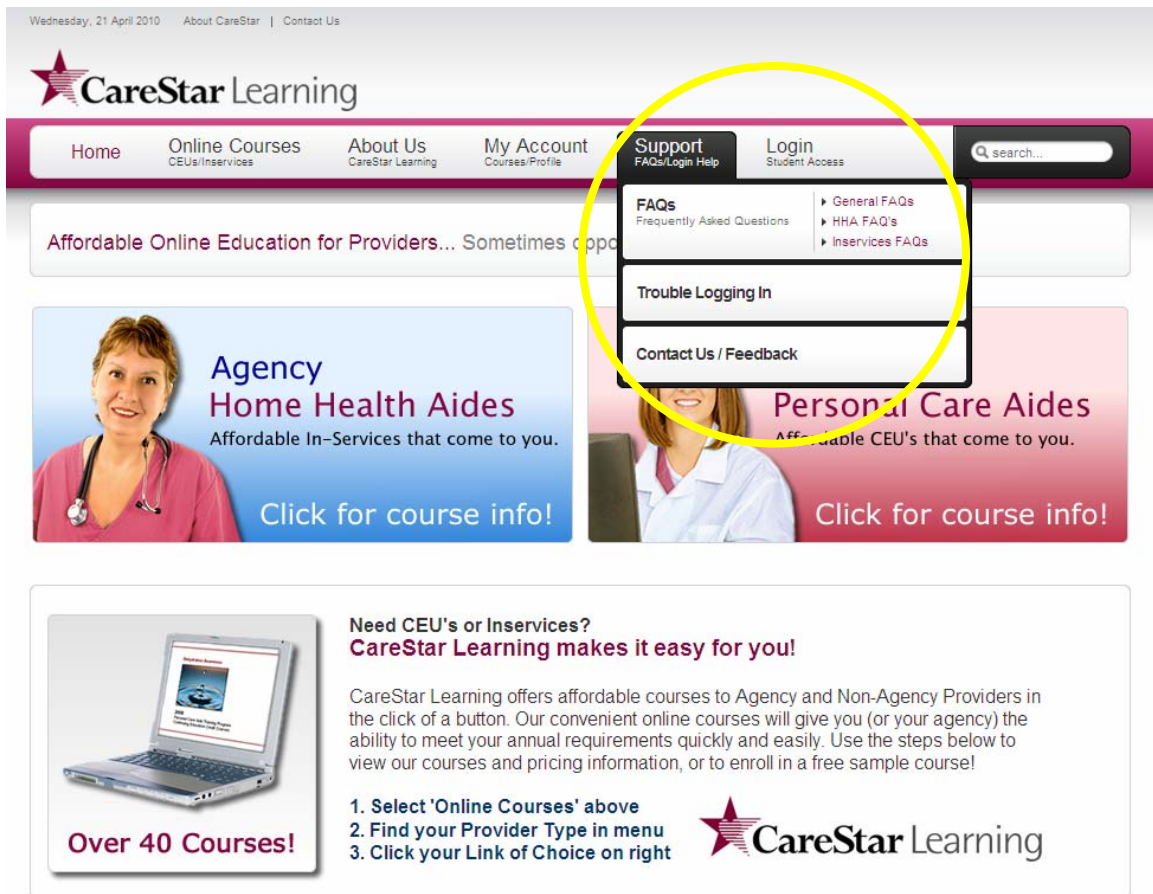

Step 3: After successfully completing the Quiz, you can access your **Certificate** by clicking the 🧑 icon (on the right).

Note: You can reaccess your Certificates for all completed Quizzes by clicking the 🌐 icon (upper-right of screen).

Element name	Details	Description
 Basics of Aging Course	- - -	
 Basics of Aging Quiz		To begin this Quiz, click the  - - green button (upper-right of this screen). ☐...

6. For additional assistance, click the 'Support' tab from the top menu and select an option from the dropdown list. Feel free to email us at learning@carestar.com with any feedback or suggestions that will help us to improve our website!
